Housing Authority of the County of Salt Lake

REAC Resident Assessment Follow up Plan for 2002

The REAC Administration conducted public housing resident surveys in five separate areas (sections): Maintenance and Repairs, Communication, Safety, Services, and Neighborhood Appearance. Follow-up plans are required by REAC if the average section scores are at 75 or less.

The following scores were obtained:

	HA Score	National Average
Maintenance	88.8	89.3
Communication	72.7	76.6
Safety	80.9	82.5
Services	89.7	92.4
Neighborhood Appearance	75.2	78.9

Communication - The Communication Section scored a 75.7%. We are working on a new strategic plan and one of our action plans is to improve customer service. We are hoping this makes a impact on our communication with our tenants.

The following actions are to continue:

1. Conduct monthly tenant meetings in complexes attended by property managers and HACSL management.
2. Develop an orientation presentation and materials for tenants in tenants rights, rules, and maintenance and preventative maintenance and safety programs.
3. Continue the resident newsletter.
4. Provide training to tenants on community building and empowerment.
5. Utilize the Resident Advisory Board to help with improving communication

Safety - HACSL believes tenants can become more secure and feel secure by increasing the awareness of the crime prevent programs that are available through the local law enforcement and other organizations like the Community Action Teams. In addition, HACSL will:

1. Request local law enforcement to attend local tenant meetings and the after school programs at least twice
2. Continue the community policing in the complexes.
3. Continue drug education and household safety presentations at tenant and after school meetings and programs.
4. Continue awareness through the newsletter and other medias.
5. Develop Neighborhood Watch type of programs in the complexes and

- coordinate with immediate local crime prevention programs.
6. Assess the existing lighting and landscaping in determining if adjustments can improve security and safety.
 7. Require parking permits for all resident vehicles thereby monitoring appropriate visitor access to complexes.
 8. Provide new tenant orientation regarding community rules, responsibilities and awareness.

Neighborhood Appearance - To increase the scores for Neighborhood Appearance, HACSL will implement the following:

1. As apply new stripping and adequate signage.
2. Assign periodic monitoring of public housing grounds by maintenance crews and housing managers during routine assignments and remedy wind-spilled trash.
3. Organize tenants and tenants youth groups to become aware of the grounds upkeep and organize volunteers to assist HA in keeping grounds appearance pleasant and free of spilled and wind blown trash.
4. Organize a tenant spring cleanup effort for grounds and personal belongings.
5. Playground groundcover will be replaced this spring.
6. Off-line units utilized as community centers will undergo a face-lift over the course of three years. In addition, three community neighborhood network centers will go on-line this summer.
7. Select one or two older complexes to upgrade the annual and perennial landscape plants in an effort to improve appearance. Involve tenants where feasible.
